West Down Parish Council (WDPC) – Grant Fund Policy.

Each year West Down Parish Council allocates an expenditure budget from the annual precept in order to support local groups and organisations. These grants are made in accordance with powers under Section 137 of the Local Government Act 1972.

This document outlines West Down Parish Council's guidelines for grant applications. It also formalises the process to ensure access, openness and fairness to the groups and organisations we aim to support.

WDPC grants run within a financial year April – March.

Fund Criteria

These groups and organisations must clearly demonstrate a need for financial support which directly benefits West Down Parish and its residents by:

- Providing a service.
- Enhancing the quality of life.
- Improving the environment.
- Promoting West Down in a positive way.

Grant Fund Applications will only be considered if the applicant can be described as one of the following from:

- An organisation, which may be local or national, serving the needs of the residents of West Down.
- Organisers of a project or event requested by a resident(s) of West Down which will be for the benefit of the local community.
- A West Down based Club, Association or Charity serving a specific section of the community or the community as a whole.

 - a) Application forms can be obtained by contacting the Parish Clerk (contact details above) or downloaded from the Parish Council section of the village website at www.westdown.org.uk
 - b) All application fields on the Grant Application Form must be fully completed.
 - c) The correctly dated form should be submitted to the Parish Clerk before 15th October in the year preceding the financial year for which the grant is being requested.
2. Applicants will be required to provide their contact details, what their organisation covers, who the beneficiaries are, and a clear need for funding.
3. The recipients of a WDPC grant will have to have an organisational bank or building society account with a minimum of two signatories.
4. Applicants will also be required to provide a copy of their most recent statement of accounts or, for new initiatives, a budget forecast. Please note: Failure to provide this financial information may result in the application being delayed or rejected.
5. A WDPC grant will only be available to 'not for profit' organisations.
6. Any payments made are subject to the normal budgetary constraints of the Parish Council and will be made at the absolute discretion of the Parish Council.
7. Grant applications will be considered and decided upon as an agenda item at the WDPC November meeting each year and organisation representatives and/or the general public are welcome to attend to support their applications.
8. Confirmation of a successful application (and the amount of grant allocated), or why an application was not successful, will be sent to the named person on the application form.
9. If an application is successful funds are awarded via cheque payment.
10. Funding must be spent within the financial year awarded and cannot be added wholly or partly to the organisation's reserves. Any unused funds at the end of the financial year in which the grant is paid out must be returned to the Council.
11. All grant recipients are invited to provide the Parish Council with a brief report, including photographs (if applicable) of how the grant has been utilised, how it has assisted the organisation and what it has achieved. This would normally be presented at the AGM following the financial year in which the grant was awarded.
