Once again a big thank you to all our customers for your continued support.

Volunteers

- **In the shop**

Volunteers are always needed, but now more so than ever. We have many shifts that we are having difficulty covering and staff shortages mean we may need to adjust our opening hours. Please can you help us to avoid this? Minimum slot of 2 hours. Please call Sue on 864264.

- **Outside the shop**

We are also looking for someone to help us further improve our web site – please get in touch if you can help.

Covid

We are constantly reviewing how we do things in light of the changing Government advice on Covid so please look out for any notices and work with us as we try to keep the Shop safe for customers, staff and volunteers.

We now require all customers to wear a mask in the shop, if for any reason you don't feel able to do this we are happy to take any order by phone or email for you.
