Parish Hall - Covid regulations have changed, and the hall is now available for use. However, it can only be used in line with Government guidelines which include social distancing, face coverings, good ventilation etc. (view conditions of use on website). It is the ongoing duty of all of us to safeguard the health of our community. The Ferret racing is postponed until guidelines allow. The extension to the hall to greatly improve the toilet facilities is well underway. The hall will remain in use until work moves inside and the existing toilets are put out of use; closure should not be long when that happens. All committee members will be aware of the ongoing situation and regular users will be updated with developments. The Post Office is open as usual, and we hope to make suitable arrangements so that it can remain in use throughout. Please bear with us while the work proceeds.

The Annual General Meeting of the West Down Parish Hall Management Committee: Tues 16th Nov at 7pm in the Parish Hall. Everyone is welcome, so please come along. We'd like more members to help run the hall (some of us are getting past our sell by date!). If you would like to join us, please contact a committee member.

Exciting news: The Parish Hall now has a full-sized Skittle Alley for hire! Further details on the website - see Parish Hall page under 'Documentation'. Book through Parish Hall Booking Clerk (Keith Oades: 07979188107)
