Date: Friday, 12 April 2024

Dear Customer

Road closure notice – LM213MB10644419 on road past Fairview Farm, West Down

We need to carry out essential works to one of our assets located in the above road. So that we can undertake this work safely and efficiently, we'll need to close near the caravan site for 5 days on 20/05/2024.

To ensure that disruption to our customers, local businesses and traffic is kept to a minimum, a road diversion will be put in place which has been agreed with the local Highways Authority. Signs will also be placed in the relevant locations to direct the traffic through the diversion.

Please be assured that the Emergency Services have been made aware that the road will be closed and in the unlikely event of an emergency, we will work with them to provide access to any affected parties. Local bus companies, schools and refuse collectors have also been notified.

If you have any additional requirements or would like any further information, please contact the South West Water Helpline on 0344 346 2020.

Thank you for your patience and understanding whilst we carry out this essential work. We'd like to assure you that every effort will be made to keep disruption to a minimum and for the work to be completed as quickly as possible.

Yours sincerely

South West Water
