Resurfacing works: A361 Road from Mullacott Cross to Trimstone Cross

Thursday 5th February 2026

Holcim UK, on behalf of Devon County Council, will be carrying out resurfacing works on the A361 Road from Mullacott Cross to Trimstone Cross. We will be repairing a deep patch of the carriageway under 2-way temporary traffic lights prior to the overnight resurfacing. The carriageway will be open outside of our working hours.

Our programme of works will be as follows:

- Monday 23rd March – Thursday 2nd April 2026: Overnight road closures (19.00 – 07.00)
- A361 Road from Mullacott Cross to Trimstone Cross
- Monday 23rd – Tuesday 24th March 2026: 2-way temporary traffic lights (09.30 – 15.30)
- A361 Road from Twitchen Cross to Trimstone Cross

We will maintain access for residents and businesses within the road closure but delays should be expected. For safety reasons the road will be closed to all through traffic during our working hours. Access queries should be directed to our Contractor or an operative on site who will be glad to assist. Please be aware that these necessary works will generate some noise and they will require lights to complete.

Please see the extent of works shown on the first map. The second map shows the road closure and works area highlighted in **red**, with the signed diversion route in **blue**.

Any changes to the start date or duration will be shown on advisory signs on site. We will do our best to complete the work quickly and minimise disruption. Your co-operation and understanding are greatly appreciated.

Information on current and planned roadworks in your area can be found on the Causeway one.network: <https://one.network>

Should you have any questions please contact us and we will do our best to try to help.

Kind regards

Caroline
